Traceability Report in ACT365:

The release of ACT365 1.5.3 will take place on the morning of 17 June 2020. Please note that there may be some disruption to the ACT365 Portal between 7.00 am to 9.00 am GMT. This release is scheduled to address Traceability for potentially infected employees, and the people who may have crossed their paths.

A full technical overview will be available directly in the ACT365 Portal under:

Documentation > Release Notes

Key Benefits:

- Track potentially infected employees and the doors they enter.
- See people who entered the same door/cross paths
- Export a full Excel report showing all entries by an origin person and the people affected.
- Monitor doors that require cleaning or disinfecting or deep clean.

Example Report:

1. Locate Cardholder ID found under Access Control > Cardholders > ID.
2. Navigate to Reports > Traceability Report.
3. Enter Card Holder ID.
4. Enter Start Date/Time and End Date/Time of the report.
5. Enter in minutes Before Start time and after the End time.
6. Click the Generate button.
7. View report directly in Portal or export to Excel for archiving.
