VANDERBILT

PRODUCT LINE: ACCESS

PRODUCT: ACTpro

MODEL/VERSION: 3.2.0.84   **CATEGORY:**   Firmware Update

CONTACT: Local Technical Support   **DATE:**   04-05-2022

The following changes have been made to ACTpro 3.2.0.84.

Technical Changes for ACTpro 3.2.0.84:

- An image of ACTpro-1500 firmware 1.11.10 has been added to the ACTpro software installation package.

ACTpro-1500 firmware 1.11.10:

- The ACTpro 1500 controller firmware has been updated to reduce delays on an Aperio Wireless lock from a maximum of 15 seconds to a maximum of 5 seconds between toggle/untoggled.
- The firmware will be shipped with ACTpro 3.2.0.82 or later. Additionally, the firmware can be obtained from our Technical Support Team.
