Release of a new VDSL media converter:

ComNet International are pleased to announce the sales and delivery release of the new media converter CNMCSFP/MV.

The CNMCSFP/MV should be used with the SFP-VDSLAB set and will operate with all other SFP 100 or 1000Mbps modules. The SFP-VDSLAB must be ordered separately.

For further details, please see the table below below, or visit the ComNet website, www.comnet.net.

Phase In Product:

Order Number	Product Name
CNMCSFP/MV	MEDIA CONVERTER SFP REQUIRED (VDSLAB Compliant)
