PHASE OUT/END OF LIFE

VANDERBILT

PRODUCT LINE: ACCESS

PRODUCT: Entro

MODEL:	Various	**CATEGORY:**	END OF LIFE
CONTACT:	Local Technical Support	**DATE:**	2021-03-05

The portfolio is now end of life and is in warranty status. This means all development, feature corrections or updates, issue investigations or query support is unavailable and will not be supported.

No remaining stock is available, with the exception of the DC22 Door Controller, for which some limited stock currently remains. For replacement products, customers are encouraged to upgrade to SiPass integrated.
