

PRODUCT LINE: INTRUSION

PRODUCT NAME: GMXP0 Mounting Plate for GM7xx detectors

MODEL(S): Article number VBPZ:2772730001 **CATEGORY:** UPDATE

CONTACT: Local Technical Support **DATE:** 2020-11-26

With immediate affect, the GMXP0 article number **VBPZ:2772730001** will be a slightly different deliverable. The major changes are:

- The product will be supplied in a plastic bag and not a cardboard box.
- The label details will now be printed on the white fascia of the plastic bag.
- The country of origin will now be Poland.
- The dimensions will be 205 x 150 x 15mm.
- The GMXP0 now has a zinc flake coating, which improves the durability when placed in harsh environments.
