

PRODUCT TYPE: INTRUSION

PRODUCT NAME: SMX13 Relay board

MODEL(S): BPZ:8009180001

CATEGORY: PHASE OUT

CONTACT: Local Technical Support

DATE: 2020-04-21

The SMX13 Relay Board is being phased out. This phase-out is effective immediately, and the product is available while stocks last. Alternative replacement products are recommended.

| Article | Description | Current Stock (pcs) | Est. Product Availability |
|----------------|-------------------|---------------------|---------------------------|
| BPZ:8009180001 | SMX13 Relay board | 207 | 3.5 months |

Alternative Product Recommendations:

| Article | Description |
|------------------|-------------------|
| N54592-Z143-A100 | IRRM 2 Relay card |
| N54592-Z144-A100 | IRRM 3 Relay card |

Notes:

1. The replacement products are single relay only, and two alternative products would be required to achieve the same specification.
2. The SMX13 contacts were rated at 24v 2A, and the alternative relays are rated at 30v 1A.
