ACT365
## All-Inclusive

The Future is Here! Try it Now
Get your ACT365 Starter Kit

ACT365 All-Inclusive is a customer focused solution that provides ACT365, Vanderbilt's cloud-based access control and video management system, as a service package. Everything is included. The monthly subscription fee includes the hardware and software needed to get you started. There are no unexpected costs, no startup fee, and only a fixed monthly fee. On top of that, ACT365 All-Inclusive gives you access to a world of benefits.

How ACT365 All-Inclusive can benefit you *

- ✓ Hardware lifecycle management
- ✓ Enhanced support
- ✓ System services & firmware upgrades
- ✓ Unlimited software upgrades
- ✓ Premium replacement program
- ✓ Professional integration support
- ✓ Aspire Gold status
- ✓ Personalized branding
- ✓ ACT365 All-Inclusive insurance

Did you know?

Users of ACT365 All-Inclusive can be assured of the longevity and reliability of Vanderbilt's security solutions. Moreover, maintenance of ACT365 will still be the responsibility of Vanderbilt, including investigating and improving cybersecurity. This includes an annual audit on the health of the system by Vanderbilt, as well as free software and firmware upgrades. Sign-ups to ACT365 All-Inclusive will also be covered by a hardware lifecycle management from Vanderbilt for the duration of their contract.
