**DATE:** 07-06-2018

Due to ongoing rationalization of the broad reader portfolio, the ACTprox (125KHz) Panel Mount Reader (ACTprox\_1030PM) will be phased out with immediate effect. The article will be set to status 50 (sell out). Stock is depleted. On current run rate, this is anticipated to last until September/October.

The other ACTprox (125KHz) readers remain available to customers using the technology.
