**PRODUCT:** VR Series

**MODEL:** Mullion readers                      **CATEGORY:** NEW PRODUCT

**CONTACT:** Local Tech Support              **DATE:** 30-7-2018

Vanderbilt’s VR Series reader range has been enhanced by the addition of two Mullion readers, the VR20M-MF and the VT50M-MF.

The Mullion readers are modern, attractive looking, and made of hardwearing materials that endure the most challenging weather conditions. A multicolour programmable light frame on all readers enhances the look and functionality of the reader.

Product Type	Product Image	Model Name	Description
VR20M-MF		V54504-F111-A100	Mullion reader Mifare/Desfire Ev1,Ev2
