The SPC OSDP Converter for VR readers provides compatibly for the VR10 and VR40 readers with the SPC intrusion system. The module can be inserted into the SPCA210, SPCP432, or SPCP433 SPC expanders. For compatibility, the SPC must be configured to use the Override LED option and the reader profile ARX61XX must be selected. The interface module supports various languages and by selecting the on-board switches, languages can be selected:

- English
- Dutch
- German
- Norwegian
- Finish
- French
- Danish
- Spanish
- Italian

Using the customer's language will give clear indication of the status of the door and for arming control.

This is compatible with SPC 3.6.6, 3.7.1, and SPC 3.8.

The module will be available to order from the from 7 June 2018. Deliveries will commence on the 25 June 2018.
