

**PRODUCT LINE:** INTRUSION

**PRODUCT:** SPC Connect Pro

**MODEL:** 3.9

**CATEGORY:** UPDATE

**CONTACT:** Technical Support

**DATE:** 17-08-2018

SPC Connect Pro 3.9 is now available. Customers will start to receive updates to their system from next week, 20 August 2018. SPC Connect Pro 3.9 will offer support for the new SPC 3.9 wireless firmware. It will also address some issues and add new functionality, including the ability to store your password so that you can access the system quicker.

Full details on the new features and how to download SPC 3.8.5 and SPC Connect Pro are available from [here](#).
