The range of SBSC approved systems has been expanded to include the SPC G5 range and the new SPCK52x series keypads. The SPC has achieved the Swedish SBSC SSF1014 Utgava 5 on the following products:

- SPC5350
- SPC6350
- SPCP355
- SPCK520
- SPCK521

The products will now be updated to reflect the latest approval of SPC products.
