PRODUCT: SPC Connect app

MODEL: Android V1.05 **CATEGORY:** APP UPDATE

CONTACT: Local Tech Support **DATE:** 27-10-2017

The new app provides SPC Connect system users with push notification support in the SPC Connect Android application. Users will be notified of the update via the play store and will be able to configure push notifications on their device. The update to the latest version will be rolled out from 3rd of November 2017.

Please note:

Push notification is not a substitute for professional monitoring, Vanderbilt cannot guarantee the delivery of push notifications.
