

PRODUCT LINE: VIDEO

PRODUCT NAME: NVR, Vectis iX 16, 32, 48 with HDD

MODEL(S): See below

CATEGORY: PHASE OUT

CONTACT: Local Tech Support

DATE: 05-03-2018

Responding to feedback from our customers, Vectis iX with HDD is being phased out. **We believe that the alternative product, Vectis iX without HDD, will be much better suited to current market trends due to the flexibility it can offer customers.**

The product status will be set to 50 in SAP.

Phase Out Products:
