

PRODUCT LINE: VIDEO

PRODUCT NAME: 4 mid-range IP cameras

MODEL(S): CCAW1427-LPI, CCMW2035, CCMS3039 and CCPW5025-IR

CATEGORY: PHASE OUT

CONTACT: Tech Support

DATE: 17-08-2017

Following technical changes and due to very small sell-rates, four “mid-range” IP cameras will be phased-out immediately. Quantities for warranty and/or repair exchange are blocked based on forward-looking planning values. No successor cameras are planned for these models.

Phased-out Products
