

PRODUCT LINE: VIDEO

PRODUCT NAME: Mid-Range Analog and IP Cameras

MODEL(S): See below

CATEGORY: PHASE OUT

CONTACT: Local Tech Support

DATE: 30-05-2018

Our supplier for mid-range analog and IP cameras informed us that Sony will phase out some components including the zoom lenses for the analog and IP speed domes. Therefore, we will phase out the below mid-range analog, IP cameras, and accessories

The product status will be set to 50 in SAP.

Note: A good alternative is our Eventys IP camera range, see the alternative products listed below. The alternative named products are only for the Eventys range and cannot be combined with the phased-out products.

Phase Out Products:

	Order Number	Product Name	Qty In Stock	Alternative Product
