

**PRODUCT LINE:** VIDEO

**PRODUCT NAME:** 1 MP High Performance IP Box camera 60fps, H.264+, H.264 & MJPEG

**MODEL(S):** CCMW1035, CFMW1035, CVMW1035-IR     **CATEGORY:** NEW PRODUCT

**CONTACT:** Local Tech Support     **DATE:** 10-07-2017

The Vanderbilt mid-range IP camera will be enhanced with 3 models supporting up to 1 MP resolution and high performance with up to 60 fps. The cameras offer superior performance under extreme lighting conditions with its additional BLC and enhanced WDR functionality 120dB. A mechanically removable IR-cut filter allows the day/night camera to provide excellent color quality in day mode and crisp images at night. All models support H.264+, H.264 and MJPEG encoding and are able for dual video streaming.
