MODEL: N54504-Z121-A100
N54504-Z124-A100

CATEGORY: RELEASE

CONTACT: Local Technical Support

DATE: 25/04/2019

New to the Vanderbilt Portfolio is the WRR-44 Long range Reader and WRT-4+ Long range transmitters. The great benefit of the WRR-44 and WRT-4+ is the compatibility with several of our key products including ACT Enterprise, ACT365, SPC and SiPass Integrated.

Some other Key benefits are as follows.

- Fully Adjustable Read Range up to 61 Meters
- Supports four channels per receiver, supporting Transmitter buttons 1, 2, 3 & 4
- IP65 Rating

| Material Number | Material Description |
