

PRODUCT LINE: INTRUSION

PRODUCT: Sintony & Detection

MODEL: See below

CATEGORY: PHASE OUT

CONTACT: Local Technical Support

DATE: 2020-10-15

The following products are moving towards the end of their life cycle and their phase out announcements have previously been announced. The reasons for the phase-out are that

- certain components are obsolete
- there is a change in the EN standards, which the products are not designed to pass
- manufacturing numbers have dropped significantly

Article Number	Product Description	Alternative Products
BPZ:5499560001	IR200 LSN Passive infrared detector	IR270TLSNi A5Q00008356
BPZ:8000310001	WMA11 Audio board	Refer to SPC portfolio
BPZ:8002640001	SMP14 Power supply board	
BPZ:8005140001	SM410FR Main board with SW	
BPZ:8009470001	SI420DE Sintony control unit	

Please note that the following products will move to warranty stock only and will be blocked for normal sales with immediate effect.

All products have end of life manufacturing issues and the sales, over the last two years, have been very low.
