A – Order information

Product name	Order number	Product Description
XT-HL	N54515-Z107-A100	XT-HL Vehicle Headlight ID-Tag, UHF
XT-ISO	N54515-Z108-A100	XT-ISO Vehicle ISO Card, UHF

B – Product description

	<p>XT-HL Vehicle Headlight ID-Tag, UHF The product is mounted on the outside of the vehicle using an adhesive. It is useful for vehicles with metalized windshields, as such metallization is preventing the reliable operation of tags and cards placed inside the vehicle.</p>
	<p>XT-ISO Vehicle ISO Card, UHF The ISO Card is particularly suitable when a single card should be used for different vehicles, or when the card should also be used together with an access control system for people identification.</p>

C – Availability

- The products will be ordered from the supplier once a confirmed order is received (**built-to-order**).
- The lead-time will be **3-4weeks** upon order confirmation.
- The products can only be purchased in **multiples of 100pcs**.
